Making Fact Families

1. Write a fact family for each picture.

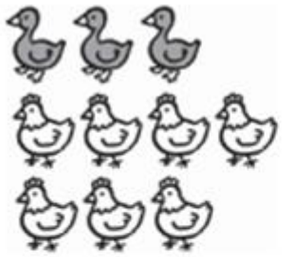
Example

This is a **fact family**.
3 and 6 are parts.
9 is one whole.

3 + 6 = 9
6 + 3 = 9
9 − 6 = 3
9 − 3 = 6

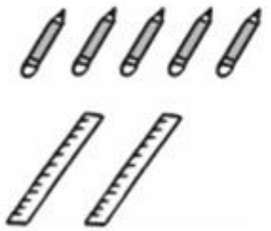
Remember to use the same parts and whole.

(a)



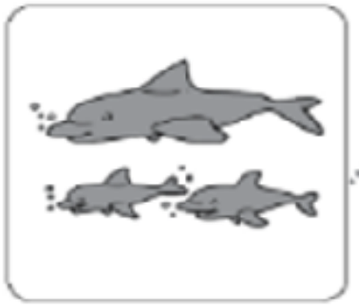
____ + ____ = ____
____ + ____ = ____
____ − ____ = ____
____ − ____ = ____

(b)



____ + ____ = ____
____ + ____ = ____
____ − ____ = ____
____ − ____ = ____

(c)



____ + ____ = ____
____ + ____ = ____
____ − ____ = ____
____ − ____ = ____

(d)

____ + ____ = ____
____ + ____ = ____
____ − ____ = ____
____ − ____ = ____

(e)

____ + ____ = ____
____ + ____ = ____
____ − ____ = ____
____ − ____ = ____
