

Practice 2 Comparing Numbers

(1) Colour the house with the smaller number.
Then fill in the blanks.

Example

19 is greater than 16
16 is smaller than 19

Both have 1 ten.
9 is greater than 6.
6 is smaller than 9.

(a)

12 is smaller than 14

(b)

18 is greater than 17

(2) Colour the star with the correct number.

(a) Which is smaller?

(b) Which is greater?

(3) Colour the sign with the greatest number.

(a)

(b)
